HOW TO GET STARTED WITH THE NDX CUSTOMER PORTAL

1. Send your first case to any NDX Lab.
Visit nationaldentex.com/about-us/welcome-kit to request a Welcome Kit and other materials from the NDX lab that is closest to you.
2. Go to the homepage of your NDX Lab and follow the Account Login link at the top of the page.
3. Click Register on the splash page.
4. Enter your account number, e-mail and phone number to create a username and password. The lab can provide you with your account number, or it can be found on any invoice.
